An unusual opportunity is offered by this parcel of land at the head of Neander within the established Lichfield Road Industrial Estate to the west of Tamworth town centre a location which offers excellent communication links via the nearby A5/A51/A453 intersection at Ventura Park linking to M42 Junction 10 to the east and the M6T/A38 to the west.

There is the shell of a previous building of approximately 171.27 sq. m. on the site which is currently partially excavated and requires levelling and resurfacing.

In 2013 planning permission was granted by the Borough of Tamworth (Ref: 0465/2013) for the erection of two 300 sq. m. industrial units (Use Class B2). Please note this has now technically expired.

The site is enclosed, gated and fenced (in need of repair) ideal for a variety of users or potential development schemes.

PURPOSE OF THESE PARTICULARS

The information given in these particulars is intended to help you decide whether you wish to view this property and to avoid wasting your time in viewing unsuitable properties. We have tried to make sure that these particulars are accurate but to a large extent we have to rely on what the client tells us about the property. We are unable to verify every piece of information ourselves as the cost of doing so would be prohibitive and we do not wish to unnecessarily add to the cost of any transaction.

Once you find a suitable property you wish to occupy you will need to carry out more investigations into the property than it is practical or reasonable for an estate agent to do when preparing particulars. For example we have not carried out any kind of survey on the property to look for structural effects and would advise any interested parties to obtain a surveyor's report before committing themselves to a transaction. We have not checked whether any items of equipment with the property (such as heating systems) are in working order and would advise these are checked.

You should also instruct a solicitor to investigate all legal matters relating to the property. Your solicitor will also agree with the owner, landlord or assignor what items (for example fixtures and fittings) will be included in a transaction.

In addition to the above, please read the printed additional guidance on the bottom of the front page.

CONDITIONS UNDER WHICH THESE PARTICULARS ARE ISSUED

Calders Chartered Surveyors & Property Consultants for themselves and for the vendors or lessors of this property, whose agents they are, give notice that these particulars are for guidance only and do not constitute any part of an offer or contract.

All descriptions, dimensions, references to condition and any necessary permissions for use and occupation together with all other details are given in good faith and are believed to be correct. However, any intending purchasers or tenants should not rely upon them as statements or representations of fact and must satisfy themselves by inspection or otherwise as to the correctness of each of them.

No person in the employment of Calders Chartered Surveyors & Property Consultants has any authority to make or give any representation or warranty whatsoever in relation to this property.

Fixtures, Fittings and Services

Reference to any gas, electrical or other fixtures, fittings, appliances or services have not been tested and no warranty is given or implied as to their availability, adequacy, condition or effectiveness.

VAT

Unless otherwise stated all prices and rentals quoted are exclusive of any Value Added Tax to which they may be subject.

Tenure

Calders Chartered Surveyors & Property Consultants have not had the opportunity to inspect any title documentation and intending purchasers or tenants should verify information through their legal advisor.

Rates / Water Rates

Verbal enquiries only have been made and interested parties are advised to verify figures direct with the appropriate authority.

Environmental / Asbestos

No environmental audit or investigation has been carried out on the property and no Environmental Report has been inspected. We have not carried out an inspection for asbestos and no Asbestos Register has been viewed. Potential purchasers/tenants should satisfy themselves on the above matters through enquiries of their Surveyor/Solicitor.

Code of Practice on Commercial Leases

You are advised that the code of practice on commercial leases in England & Wales strongly recommends that you seek professional advice from a qualified surveyor/solicitor or licensed conveyancer before agreeing or signing a business tenancy agreement.

This Code is available through professional institutions and trade associations or through the web site. www.commercialleasecodeew.co.uk
