19 Lichfield Street, Tamworth

A rare and unusual opportunity is here offered providing an early 18th Century residence, largely in its original format and layout and offering much potential for the creation of a substantial and impressive single home, or indeed a scheme of individual apartments.

The property is also suited to commercial uses, subject to appropriate consent.

The property requires complete restoration and renovation. It is on three floors all accessed from an impressive hallway and winding staircase to the upper levels and with space retaining many original features.

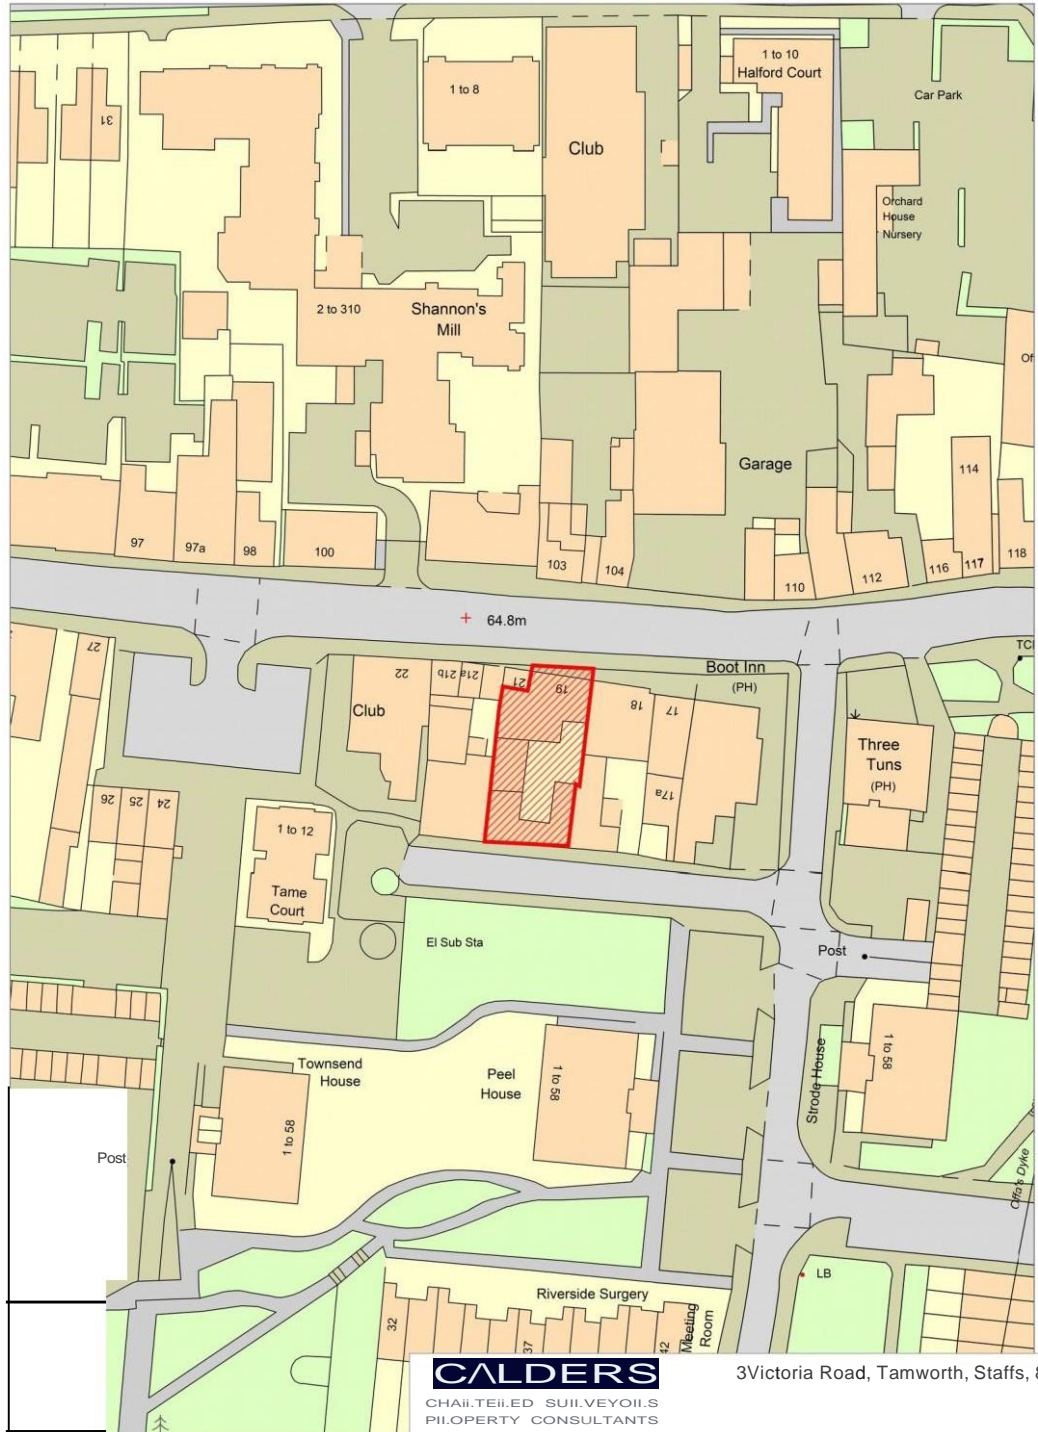

There are cellars beneath the principle accommodation.

To the rear of the property is an enclosed courtyard or garden area with vehicular access from Balfour to the rear and offering a range of outbuildings of similar period and specification and construction, capable of converting to a variety of uses.

This is a very impressive residence.

The property is Grade II listed by English Heritage (REF; 1241853).
